Goose Tracks

8" blocks = 47" x 47"

5" = 28" x 28"

Fabric and Thread Key

Hoopsisters.com 2010

For Goose Tracks, choose your background fabric, your Geese fabric, and your Sky fabric. These three fabrics will remain consistent through out the quilt.

Then comes the fun part!

Choose 8 to 12 half yards for the 8 inch, or 8 to 12 fat quarters for the 5 inch to make the rest of the blocks. Each blocks instruction sheet will show you what fabrics you will need. We call this your Goose Tracks Stash!
